[Staff – Executive Team](#)

Introduction

Members of RCN Council, Professional Nursing and Trade Union Committee, Country and Regional Boards, external advisers and senior RCN staff have a duty to act impartially and objectively, and to take steps to avoid any conflict of interest arising as a result of their membership of, or association with, other organisations or individuals. To be fully transparent and to maintain confidence in the RCN's governance process, here is our register of interests.

Elections took place in 2020 for a number of roles which commenced on 1 January 2021. We are in the process of asking our new Council, board and committee members to complete their register of interests and will update this document as and when they are submitted.
