Do you work with children and young people?

Join a specialist RCN forum

The RCN has five Children and Young People (CYP) forums:

- Continuing and Community Care Forum
- Professional Issues Forum
- Specialist Care Forum
- Staying Healthy Forum
- Acute Care Forum

Who can join?
Nurses, health visitors, health care assistants and nursing students who are RCN members and work with infants, children and young people.

Join a CYP forum today: call 0345 772 6100 or log onto www.rcn.org.uk/myrcn
Benefits of joining

- Network with other nurses sharing the same area of interest.
- Access RCN resources such as evidence-based guidance and audit tools.
- Participate in RCN policy-making processes and campaign on issues affecting the provision of care.
- Obtain guidance, learning resources and information on new policy on the forum web pages.
- Join one of the special-interest communities linked to the forum.
- Contribute to publications with specific relevance to your role, or make suggestions for new publications. www.rcn.org.uk/publications
- Attend specialist conferences, study days and networking events to support you in your personal and professional development. www.rcn.org.uk/news-and-events/events
